

ID requirements, and additional documentation for new customers

Here is an extensive list of which documentation is required to confirm your identity as a new customer in our bank. The main method of identification is passport. Exceptions are made, but this will cause a limited access to our bank services. Ask us which documents are required in your case if you do not have a valid passport.

Norwegian

- Passport

Exception: If you do not want BankID or a card with ID, the following is required as sufficient:

- Card with ID from another bank (Norwegian)
- Norwegian driver's license issued after 1.1.98
- The Norwegian Army's ID-card or the Polices warrant card
- BankID issued from another bank

Norwegian minor

- Passport
- Passport or valid ID from both guardians.
Additional confirmation if single guardian
- The child's birth certificate

Nordic

(Sweden, Denmark, Finland, Iceland)

- Passport
- Confirmation of D-number or Norwegian ID-number

A Norwegian ID-number is required to establish BankID.

EEA

- Passport
- Confirmation of D-number og Norwegian ID-number
- EEA Proof of registration
- Or Standardised Schengen residency card

Rest of the world

- Passport
- Standardised Schengen residency card
- Work or permit of stay in Norway
- Confirmation of D-number or Norwegian ID-number

Refugee/Stay for humanitarian purposes

- Passport and confirmation of Norwegian ID-number
- Immigrant's passport/Refugee travel document
- Standardised Schengen residency card
- The Directorate og Integration and Diversity (IMDI) letter of decision

This enables fundamental bank services such as an bank account, card without ID and access to online banking.
